

Fiber Forum 2009 Jurying

Fiber Forum will hold the next jurying for EGA members beginning in March 2009.

All jurying is by digital images, no actual works will be sent to the jurors. Top-quality images are essential. Please note the EGA Photo guidelines on the website. We highly recommend the use of professional photographers. The following guidelines apply:

1. The submitted work must be an original, non-teaching piece completed within the previous three years. EGA's definition of original is "one which from the beginning is solely the creative product of the stitcher." A piece previously juried but not accepted may be re-submitted once within the time limit. A piece previously juried-in may not be re-submitted.
2. Each submission requires an entry form and **TWO images**—an overall and a detail of the work. For three-dimensional work and work done as a series, three images may be submitted. The images should be sent in accordance with EGA Photographic Guidelines which can be found at www.egausa.org/login/secure_members/forms.html on a CD or DVD in a jpeg format. CDs WILL NOT BE RETURNED.
3. An artist statement(s) about each piece, limited to 50 words, is required. For pieces juried into Fiber Forum, the statement is retained with the images. More information may be obtained from the jury chairman.
4. Incomplete entries—those without the entry form, artist statement(s), or entry fee—will be returned to the sender with annotation of the missing item(s). If the submitter returns the completed materials prior to the submission deadline, the entry will be considered for jurying.
5. **Entries must be postmarked between February 28 and March 14, 2009.** Entries outside these dates will be returned.

If you are interested in joining Fiber Forum or in renewing or extending your current membership, you may submit images of no more than one or two works. The entry fee is \$30, in check or money order payable to EGA Fiber Forum, whether one or two entries are submitted.

Send the entry forms, CD, artist statement(s), fee, and a self-addressed stamped envelope (SASE, for return of jurors' comments) to:
